

# **TOWN OF ABINGDON**

## **RESIDENTIAL RECYCLING**

\*Available to residential customers that receive roll-out cart solid waste service from the Town of Abingdon.

**\* The recycling service day is the same day as the solid waste collection day.**

\* For questions, service problems, or to receive a recycling bin please contact Waste Management Inc. at 1-800-838-7143.

### **THESE ITEMS CAN BE RECYCLED THROUGH THE CURBSIDE-RECYCLING PROGRAM.**

- ALL paper, including; direct mail, junk mail, newspaper, phone books, slick paper/magazines, paperback books
- PET plastic #1 (\*\* the number for plastics is stamped on the bottom of the container\*\*)
- HDPE plastic #2 (color & natural)
- Aluminum
- Metal and bi-metal cans

Always remember to rinse containers, remove any bottle lids, leave tin can lids attached and pushed down into container. Never recycle detergent containers that have plastic syringes stored in it. The number for plastics is on the bottom of the container.
